

SEDA Board Meeting

March 11, 2019

Board Members present: Nicole Miller, Aryelle Stafford, Cameron Dauterive, Judi Dauterive, Rebecca Smedley, Emily Embree

Call to Order: 7:38

President

1. Tax update- No new info from the IRS. 1099s have been handed to the people who need them. Rebecca has all the info/paperwork she needs. Anyone we contract has to fill out a w9 before we can pay them.
2. Working on being able to reward early entries for the USEF recognized show
3. Banquet recap and update on volunteer for next year- we have a volunteer willing to work on the awards and the banquet- Ashleigh Lewis

Vice President

1. Adult Show- Everything is straightened out with Lagniappe as far as dates go. Watson is asking for a vote on the Richard Howard Clinic.

Treasurer

1. Financials – Everything looks good

Dressage

1. Banquet awards- Thinking of having 3 options for awards plus the additional option of an Amazon gift card. This would allow people to choose their award. Positive responses from the board on this.
2. Axel Steiner- He has expressed interest in a clinic in our area. Judi is looking into a date. Lessons would be \$225 per lesson. Possibly funded by charging for auditing. Would serve as a good educational opportunity.
3. LBT Update and Needs- Not much to report. Breed awards are sorted out. Judi is looking into ordering the champion and first place prizes.

Eventing

1. FDL Update- Nicole ordered saddle pads for the recognized FDL. We still need volunteers, especially scribes. Also need help for set-up and tear-down. Needs members to be made aware of the impending closing date through media.
2. Scholarships- Sponsorship for three shows and a scholarship to pay for showing/AECs is now available.

Membership

1. Update- Already at about 75% of the members we normally have for the year.

Juniors

1. Juniors Show- Cameron doesn't have any help to run the Junior's show, so it will probably not take place. She has asked for help, but no one has stepped up to help. Judi suggests asking Paula to help. Cameron thinks there will be difficulty in finding a judge at this point. She suggests asking Julia Handt.

Communications

1. Update- She has been sick, and has been out of pocket. She is asking for everyone to keep sending info to be posted.

Appendix- Nicole would like a write-up of all the job descriptions for all the board members.
