Established in 1975, the Southern Eventing & Dressage Association is a non-profit, educational organization founded to foster an interest in, and understanding of, the equestrian sports of Dressage and Eventing. SEDA is a group member organization of USDF, affiliated with USEA, and governed by the United States Equestrian Federation.

Club activities include educational clinics and seminars, schooling shows, Le Bon Temps (a recognized dressage show), Fleur de Leap (an eventing show), fun paces, and an annual awards program. SEDA is one of the largest USDF-affiliated clubs in Region 9 and growing. We invite you to join us in supporting, learning, and enjoying the sports of dressage and eventing in our area.
