for 2026**

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$100), 5-years (\$400), or life (\$2,000). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$80). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan[®]/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$280) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$55 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$45). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan[®]/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$95. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$140) is eligible for Adequan[®]/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

2026 ProElite/USDF Breeders Championship Series Program Rules

The ProElite/USDF Breeders Championship Series (ProElite/USDFBCS) is a program intent on recognizing quality bloodlines and dressage prospects across the nation. Through a combination of in-hand and materiale classes, the ProElite/USDFBCS provides competition opportunities for dressage prospects and breeding stock.

- The ProElite/USDFBCS is scheduled on a calendar year basis. It starts January 1 and ends September 30.
- A series must have a minimum of two qualifying events to host a series final competition.
- Series boundaries are determined by USDF. Please be advised that the boundaries of any given series may cross the regional boundaries established for regular dressage competitions.
- All Dressage Sport Horse Breeding (DSHB) and ProElite/USDFBCS exhibitors and management are responsible for knowing the rules for USEF-licensed/USDF-recognized dressage competitions holding DSHB classes, as well as USEF-licensed/USDF-recognized competitions in general. The USEF Rule Book Dressage Chapter, Subchapter DR-2, contains the DSHB class rules, and can be found at www.usef.org.

I. PROELITE/USDFBCS IN-HAND CHAMPIONSHIP DIVISIONS

DSHB In-Hand classes provide evaluation of conformation and movement of horses of all ages for potential dressage horses and/or breeding stock.

A. IN-HAND CLASSES - HORSE REGISTRATION AND MEMBERSHIP REQUIREMENTS (PROELITE/USDFBCS QUALIFYING OR SERIES FINAL CLASSES)

CHART 1: USDF REQUIREMENTS FOR IN-HAND DIVISIONS	
HORSE	<p>Either USDF Lifetime Horse Registration (LHR) or USDF Horse Identification Number (HID) is required for all horses entered and must be submitted. Horses registered with a breed organization should have a copy of their registration papers submitted directly to USDF.</p> <p>Horses participating in ProElite/USDFBCS qualifying or series final competitions are not required to be registered with any breed registry. For registered horses the name of the breed, sire, dam, damsire, and breeder must be given on the entry blank. Horses not registered with a breed registry should be listed as “unregistered” on entry blank. For unregistered horses competing in DSHB classes, the breeding information is strongly recommended.</p>
OWNER	Owner is not required to be a USDF member for qualifying or series final competitions. If the owner does not have a USDF Participating, Group or Business membership, then a USDF non-member fee will apply.
HANDLER/ ASSISTANT HANDLER	Neither USDF membership nor a USDF non-member fee is required for the handler.
Elimination of a horse from its relevant class or series final class may occur should any USDF non-member, membership or horse registration/HID applications with related fees fail to be paid and/or collected by show management and submitted to USDF at the completion of a competition.	

B. REQUIREMENTS FOR PROELITE/USDFBCS IN-HAND QUALIFYING CLASSES

1. Classes must be offered and judged according to DR209.
2. Neither foals nor horses of any other age may be shown loose.
3. All qualifying competitions must offer every Sport Horse Prospect In-Hand and Breeding Stock In-Hand division of the ProElite/USDFBCS. The divisions are:
 - a. Current Year Foal Championship
 - b. Filly Championship

- c. Colt/Gelding Championship
 - d. Four-Year-Old Prospect Championship
 - e. Mare Championship (Breeding Stock)
 - f. Stallion Championship (Breeding Stock)
4. Only a single set of Sport Horse Prospect and Breeding Stock In-Hand DSHB qualifying classes may be offered per competition. These classes must be open to all horses and ponies of the appropriate age and sex, and not subject to any entry restriction.
 5. A separate qualifier championship class must be held for all divisions, even those that have only one class or one horse in the division. All horses must be re-evaluated by the judge(s) at both the walk and the trot in the championship class per DR210. If any one of the judges adjudicating this class has not previously judged all the horses in this class, conformation must also be reevaluated on every horse.
 6. Qualifier championship classes must be open to first and second place winners of their respective In-Hand qualifying classes as listed in Chart 2 below. Organizers have the option of including third placed horses in qualifier championship classes. No scores are given. Ties are not allowed. The champion and reserve champion of each division at each qualifier event are eligible to compete in their respective ProElite/USDFBCS Final championship class. A third-place horse in each championship class must be named as well.
 7. Current Year Foals ARE NOT ALLOWED in Filly Championship and Colt/Gelding Championship classes. Fillies of Current Year and Colts/Geldings of Current Year will compete in the same Current Year Foal Championship.
 8. Four-Year-Old Prospect mares and Four-Year-Old Prospect stallions/geldings will compete against each other in the same Four-Year-Old Prospect Championship.
 9. Mare classes may be divided by age, competition and/or breeding status (as of January 1st of the current competition year), as in the following examples:
 - a. Four-Year-Old & Older Maiden Mares
 - b. Four-Year-Old & Older Yeld Mares
 - c. Four-Year-Old & Older Broodmares
 10. Stallion classes may be divided by age, competition and/or breeding status, as in the following examples:
 - a. Four-Year-Old & Older Stallions Showing Only In-Hand
 - b. Four-Year-Old & Older Stallions Showing Also Under Saddle
 11. Note the following clarification on “stallion”: No geldings may compete in the ProElite/USDFBCS classes for stallions even if they are gelded after qualifying for the finals and are breeding via frozen semen.
 12. Each horse may only enter the ProElite/USDFBCS qualifying class(es) for which it is eligible and may only qualify for the specific ProElite/USDFBCS championship class(es) for that division(s). Four-Year Old Mares & Stallions may show in both the Four-Year Old Prospect class AND their respective Breeding Stock class.
 13. Geldings of any age may NOT show in breeding stock classes/categories. Geldings, age four and under, may show ONLY in sport horse prospect classes.
 14. All classes must be judged using the correct score sheet for appropriate category percentages. Sport horse prospects four years old and under MUST be evaluated on the current USDF Dressage Sport Horse Prospect In-Hand score sheets and mare and stallion breeding stock MUST be evaluated on the current USDF Dressage Sport Horse Breeding Stock score sheets.
 15. During awards ceremonies, each division champion and reserve champion must be named ProElite/USDFBCS qualifying champions and reserve champions for the show and be awarded a qualifier ribbon that is supplied to the show by USDF. Announcements must identify sponsors and horses’ breeding information. If a champion and/or reserve has already qualified for a final, the third-placed horse from the pertinent qualifying championship class will be eligible to compete in a final. Qualifying ribbons are still awarded to the champion and reserve champion, the third-place horse will not receive a qualifier ribbon.
 16. Any horse receiving a 75.000% or higher in its age/sex class is eligible to compete in the ProElite/USDFBCS Finals, independent of whether they go forward to a qualifying championship class.
 17. A list of qualified horses is maintained on the USDF website.
 18. All champions and reserve champions will be eligible to compete in **ANY** ProElite/USDFBCS Final, regardless of where qualification is earned, but may compete in only **one** series final competition per calendar year.

C. CONDUCT OF SERIES FINAL IN-HAND CHAMPIONSHIP CLASSES

1. At least two USEF DSHB judges must officiate in each series final class. Placings will be determined by the average of all judges' scores. At least one judge must be a USEF DSHB 'R' judge.
2. Ties in series final classes must remain unbroken. Examples:
 - a. If there are two champions, there is not a reserve champion.
 - b. If there are two reserve champions, the next place will be 4th place.
3. A grand champion and reserve grand champion for each division will be named at each ProElite/USDFBCS Final event and will receive awards and prizes provided by USDF. Third through sixth place horses will receive ribbons provided by USDF. After the last ProElite/USDFBCS Final held in a competition year, certificates will be available from USDF via the website.
4. USDF reserves the right to change, alter, or retract any placings and/or prizes for up to 60 days after the last day of competition if an error or violation is discovered.
5. Each horse must be shown individually on the triangle at the walk and trot and stand for conformation. Callbacks are permitted only if stated in the prize list or program (DR209).
6. The owner **must enter** the qualified horse in the appropriate ProElite/USDFBCS Final championship class. The horse is NOT automatically entered in the series final championship class because it qualified earlier in the day or at another show. Series final events must allow late entries in series final classes for horses that qualified after the official closing date.
7. Management must collect all USDF non-member, membership and/or horse registration/HID applications and related fees prior to the start of a series final class for eligible entries to compete in the class. Should the required USDF non-member, membership or horse registration/HID applications and related fees fail to be submitted to USDF following the completion of a series final competition, elimination of a horse from its series final class may result.

II. PROELITE/USDFBCS Materiale Championship Division

DSHB Materiale classes provide evaluation of movement and rideability under saddle of three, four, and five-year olds as potential dressage riding horses.

A. MATERIALE CLASSES - HORSE REGISTRATION AND MEMBERSHIP REQUIREMENTS (PROELITE/USDFBCS QUALIFYING OR SERIES FINAL CLASSES)

CHART 3: USDF REQUIREMENTS FOR MATERIALE DIVISIONS	
HORSE	<p>Either USDF Lifetime Horse Registration (LHR) or USDF Horse Identification Number (HID) is required for all horses entered and must be submitted. Horses registered with a breed organization should have a copy of their registration papers submitted directly to USDF.</p> <p>Horses participating in ProElite/USDFBCS qualifying or series final competitions are not required to be registered with any breed registry. For registered horses the name of the breed, sire, dam, damsire, and breeder must be given on the entry blank. Horses not registered with a breed registry should be listed as "unregistered" on entry blank. For unregistered horses competing in DSHB classes, the breeding information is strongly recommended.</p>
OWNER	Owner is not required to be a USDF member for qualifying or series final competitions. If the owner does not have a USDF Participating, Group or Business membership, then a USDF non-member fee will apply.
RIDER	Rider is required to have a current USDF Participating Membership at the time a horse's qualifying score is earned and at the time of the ProElite/USDFBCS Materiale Championship class.

Elimination of a horse from its relevant class or series final class may occur should any USDF non-member, membership or horse registration/HID applications with related fees fail to be paid and/or collected by show management and submitted to USDF at the completion of a competition.

B. REQUIREMENTS FOR PROELITE/USDFBCS MATERIALE QUALIFYING CLASSES

1. Classes must be offered and judged according to DR134 & DR204 and the directives on the score sheet.

4. Two numbers (min. 3" x 5") must be provided to and worn by Materiale class entries and they must be positioned on each side of the saddle pad.
5. Scores must be awarded to all competitors competing in materiale classes.
6. A horse may qualify to compete in a ProElite/USDFBCS Materiale Championship Final by receiving one score of 72.000% or higher in a materiale class held at any USEF-licensed/USDF-recognized DSHB or Dressage competition during the relative competition year.
7. Scores earned at competitions licensed by USEF as Regular or Local competitions are not eligible to be used as qualifying scores for the ProElite/USDFBCS Materiale Championships.
8. The ProElite/USDFBCS Materiale Championships will run on the same calendar year as the ProElite/USDFBCS (January 1-September 30). Qualifications to compete in a ProElite/USDFBCS Materiale Championship class must be earned in the calendar year that the championship occurs.
9. Qualifying scores to compete in a championship class may be earned up until the championship class occurs. Materiale scores earned at dressage competitions held after all ProElite/USDFBCS Finals in a competition year, are not eligible as qualifying scores.
10. A list of qualified horses is maintained on the USDF website.
11. A horse may qualify with a different rider than the rider who competes the horse in the championship class.
